

# Hello,

## MY PORTFOLIO

[PORTFOLIO.JESSICASAGE.DESIGN](https://portfolio.jessicasage.design)

I am a professional Graphic & UX/UI Designer. I excel at print, digital, & brand design. I pride myself on my ability to work collaboratively with my team members to complete high-quality projects. With 7 years of experience in the Adobe creative suite & other design tools, I would be a great asset to the team.

## WORK EXPERIENCE

2024–Present

### **WECC (Western Electricity Coordinating Council)**

Lead Multimedia & Communications Designer

Collaborated with multiple teams to update, research & wire-frame pages for the website to create responsive designs. Followed & improved upon company branding, typography & brand strategy to assist in marketing campaigns, packaging & product collateral. Specialized in event and presentation design for Executive team.

2021–2024

### **KLAS Research**

Senior Graphic Designer

Expertly managed layout design for data reports ranging 10–120 pages with crucial deadlines, also created website pages for each report. Lead collaborative projects like presentations & summits for high-level clients. Trained new design team members on process & in-house brand. Created templates to increase my team's productivity.

Present (Freelance)

### **Jessica Sage Design**

Owner & Graphic Designer

Create brand identities & marketing collateral for various clients by using creative thinking & tools to help them appeal to their audiences, while educating them in brand importance.

2020–2021

### **Hope Corps**

Head Graphic Designer

Trained & lead design team. We helped local businesses rebrand, improve their digital presence, design business interiors & reach customers through multi. media marketing.

2019–2020

### **Decorworx/Rainbow Sign & Design**

Web & Exhibit Designer

Assisted in creating the company's branding & marketing for web, social, & print. Designed safety products & Covid-19 care packages for local businesses. Updated company's website. Created store signage, way-finding & other exhibit interiors.

2018

### **Intermountain Healthcare**

Murals & Safety Pamphlet Designer

Designed & painted murals in hospital rooms that 6,000+ kids visit annually. Created & edited safety presentation & pamphlets for the hospital's maintenance & sanitary staff.
